Strategic

VP Marketing and Communications

- Determine the overall marketing strategy of the organization
- Manage and integrate all marketing levers within the organization through extensive collaboration with the directors of marketing for NBTC and Nspire DS
- Build relationships and execute innovative marketing campaigns through our strong social media channels (current Facebook page: 2000, Twitter: 1500)
- Devise and execute on all Nspire wide marketing initiatives
- Be the point of contact for all inbound inquiries through info@nspire.org and curate our monthly newsletter
- Build sustainable processes for leveraging marketing channels for various events and initiatives
- Manage graphic and web designers for content creation
- Manage Nspire campus ambassadors

Why?

- Build valuable and meaningful relationships with everyone that is part of the Nspire community online and offline including professionals, entrepreneurs and students from across Canada
- Be given the budget, resources, and authority to create innovative nationwide marketing campaigns to drive bottom line results
